# Support for teaching MCMII-IV hand-scoring

Many TPP members have asked for resources to help them teach hand-scoring for the MCMII®-IV to help their students understand the structure and psychometrics of the test. We heard your feedback and are excited to let you know that we have created resources you can access **free** via Q-global **along with other print materials that are available to purchase.**

## Here's how to access these resources

To meet your needs, we have developed downloadable PDFs of the MCMII-IV Hand-Scoring *Users Guide*, *Worksheet*, and *Profile Sheet*. These *free assets* can be accessed via Q-global in the "Restricted" folders of the *Resource Library* link at the top of the **home** page.
